

QUALITY POLICY - 2022/23

CB Civil is firmly committed to delivering the work we undertake to the highest standard of workmanship and quality.

To achieve this CB Civil commits to:

- Having a quality first mindset throughout the organization taking pride in our delivery of work
- Ensuring work conforms to contract specifications and national standards through robust quality standards
- Establishing and maintaining an effective, and promoted quality system
- Engaging with and understanding our customers' needs
- Planning and executing our quality system process to achieve positive outcomes
- Providing the information, training and supervision to all personnel and subcontractors to ensure quality is achieved
- Ensuring our subcontractors and suppliers meet our agreed standards
- Take timely action to prevent occurrence or reoccurrence of nonconformity through lessons learned
- Establishing measurable objectives to constantly review and improve our quality management system
